Sir

With reference to your letter forwarding the resolution passed on 2-7-21 dated 15/7/32 in the matter of the recognition of a few competent men as licensed Architects, I am directed to state that the resolution quite rightly refers only to the application of one Mr. V N V Subbaya for a license to practise as an architect in Mysore City. The general question of recognising some qualified men as licensed architects for the construction of houses proposed by the Municipal has not been considered by the Mdel,
